

Coach Cromer,

My name is Jena Braden and I am interested in Urbana University to further my education and to play volleyball.

I am still a youngster as I am part of the 2011 graduating class. I currently set a 5-1 for Team Atlantis's 16 Elite National Team.

I have completed the on-line prospective student questionnaire. My team will be playing at the OVR National Challenge on March 29-30 at the Premier facility in Maumee and at the OVR Bid tournament in Columbus on April 12 & 13.

I also will be at the OHSVCA Elite Camp from July 20-24th at Ohio Northern University.

It would be great to have you stop by and give me a look.

Good luck to your team during their spring practices!

Thanks,

Coach Witte,

I hope you summer is going well!

Volleyball has kept me very busy as well. I have attended a couple camps and have had the opportunity to play with and against many current college players. It has helped me improve my adjustment to the college game. Below is what I am up to for the rest of July. I have also attached my New Knoxville High School Schedule.

I hope you will be able to stop in to see me play yet this summer.

Coach Dempsey,

I saw your record and looked at the scores of your matches. You were so close in many sets. If the ball would have bounced a little different you would have won several more matches.

Below is a link to my volleyball video that I placed on YouTube. I am the setter in the black uniform wearing #7. Most of the video has me on the near side but there is a short time I am on the far side. Once you click the link you can click on the box next to the speaker to have the video become full screen.

Coach Chia,

Snow days are great – no school today! It gives me a chance to catch up on keeping in touch! I hope the weather is treating you well in your neck of the woods! Please don't take the lack of communication as disinterest. Between basketball, dance, club volleyball, and the college classes I am taking, it has kept me very busy!

We will be playing this weekend, Saturday and Sunday, in Indianapolis at the Team Indiana Volleyball Club facility on 2570 N. Shadeland Ave. Our first match begins at 11:00 on Saturday.

Thanks for your continued interest in me.

I'd love to be a Norse!

Coach Davis,

Hope things are going well with your spring season! I am sorry I cannot attend your event on April 25th. I have club practice that Saturday. Since I am the only setter, we don't get much done if I am not there. It is fun to be important!!! Thanks so much for inviting me. I will try to get there in the near future.

We played up in an 18's tourney this past weekend in Nashville and finished 7th out of 16 teams. It was pretty exciting. If we could have added a total of 8 points here and there to our scores and taken 8 points from our opponents, we would have been in the finals. So close in so many third games! It was the best we have played this year. It is the first time all year we had everybody back.

I hope I am still on your look see list.

Thanks for your interest!

Coach P,

Congrats on winning your tourney this weekend☺

Congrats also to Kristen, Baylee and especially Kaley for their tournament honors.

Can't wait to see you this weekend.

Off to school!

Jena

Coach Smith,

I hope you had a great Christmas and the holidays have been fun.

I am still very interested in Wright State to continue my volleyball and education. I am hoping you will be able to watch me play during club this year. At least you can say I am persistent in my quest to become a Raider!

Our school is on a delay this morning so I had a little time to get this out to you.

I was able to figure out how to upload my recruiting video to YouTube from our digital camcorder. Attached are two links to my video from this past club season.

Video I - <http://www.youtube.com/watch?v=v8TdCzD6tyc>

Video II - http://www.youtube.com/watch?v=dwGN_s5vuiU

Let me know if this comes through ok. If not, I will send you a DVD.

Below is my tournament and practice schedule. Please feel free to come to any of the practices.

I will be playing for Team Atlantis 18 Elite this year. My head coach is Kevin Kitchen. Coach Kitchen is the head coach at the University of Northwestern Ohio. Please feel free to contact him. His cell number is 419-305-0164 and his email is kkitchen@unoh.edu My assistant coach is my dad Chuck. Between these two, I should continue to improve.

Thanks so much for showing an interest in me. It would be great if you felt I should come for an un-official visit.

I really would love to be a Raider!

Stay warm, it is freezing here!
